### c) Auto Conference

This presents the conference to global automotive machinery manufacturers and materials' suppliers who are interested in establishing a closer relationship with automotive and auto-parts professionals in China.

### d) Professional Marketing Services

By virtue of Adsale Group's vast database, advertisers can employ our e-direct marketing, direct mailing and telemarketing services to run a customized marketing campaign.

### e) e-CMJ

Since 2001, e-CMJ - digital publication has been serving the Metal Working Industry. All Informative articles featured in a printed version are included in the e-version as well. This new marketing channel for advertisers has been provided to leverage their brand and promote their online presence to qualified subscribers.
